MEET THE COMMUNITY

More Than Attendees. *A Community.*

The Ladies of Richmond is a growing community of women who come together through intentional experiences designed to foster genuine connection.

Our members include entrepreneurs, professionals, creatives, mothers, executives, educators, healthcare professionals, and business owners — women who actively invest in relationships and community.

THE POWER OF COMMUNITY

Trust Creates *Influence.*

When women trust a community, they trust the recommendations that come from it. Our events create opportunities for brands to engage with an audience that values relationships, experiences, and local businesses.
